

PCM EcoMoineau™ C pump

**SPACE  
SAVING**

PCM EcoMoineau™ C pump

**NEW**

**Food** PCM EcoMoineau™  
Stainless steel C pump

**Industry** PCM EcoMoineau™  
Stainless steel C pump

**FLEXIBILITY & VERSATILITY**

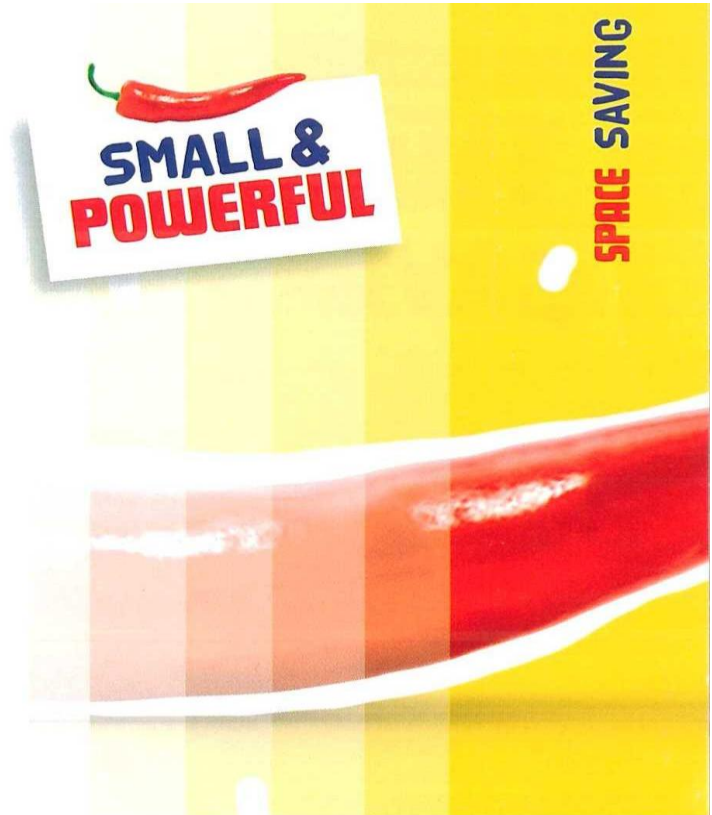

**FOOD & INDUSTRY  
MARKETS**

**CHARACTERISTICS**

- Flowrate: up to 40 m<sup>3</sup>/hr
- Pressure: up to 24 Bar
- Pump construction:
  - Stainless steel body (316L)
  - Stainless steel or Duplex rotor
  - 9 stator materials available
  - 4 sealing solutions

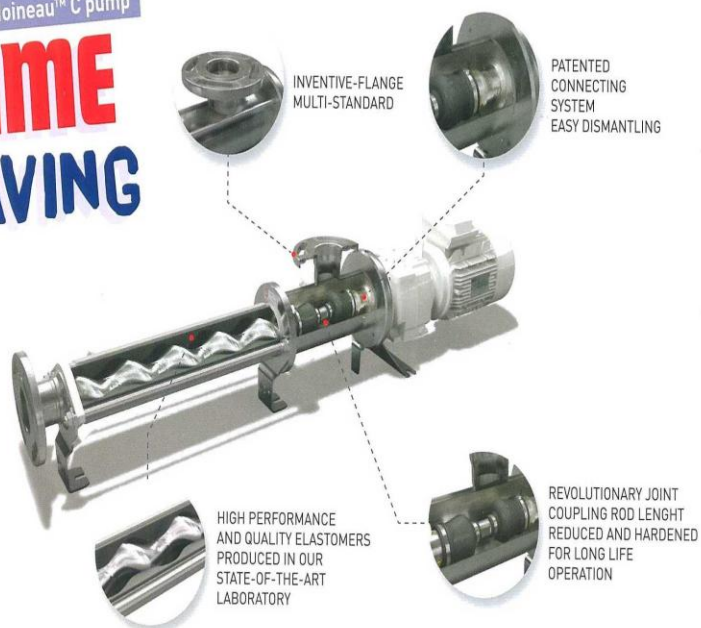

**The shortest PCP  
pump in the market  
42% shorter  
57% lighter**

Its revolutionary design combines the legendary performance and reliability of PCM PCP technology with a highly modular, eco-friendly design. The EcoMoineau™ C pump requires less space for installation which reduces costs and facilitates its integration.

PCM EcoMoineau™ C pump

**TIME  
SAVING**

**Easy & quick dismantling  
23% maintenance  
time saving**

The EcoMoineau™ C pump is made of fewer parts compared with competitor's models. This new stainless steel pump has a multiple of design features that make installation, operation and servicing easier than ever before. It is a simple and robust design.

**SIMPLE &  
POWERFUL**

PCM EcoMoineau™ C pump

**COST  
SAVING**

**ECONOMIC &  
POWERFUL**

**EcoDesign pump  
10% less power  
consumption**

**PCM  
ECO  
DESIGN**

The EcoMoineau™ C pump is lighter (thanks to less raw materials) and uses 10% less power than previous generation pumps. The energy used to manufacture, transport and operate the EcoMoineau™ C pump is therefore optimized.
