

Accessories ----- Sensor adaptations for stainless steel pipe

Welding Operation

Threading to prevent wedging

Drilling : adaptator's external diameter

Laying the adaptor

Ø 27 - Stator Security System
Ø 31 - Multifunction sensor
Ø 18 - Pressure Transmitter
- Manometer
- Pressure Switch

Welding without deformation

1/2" G - Stator Security System
3/4" G - Multifunction sensor
1/4" G - Pressure Transmitter
- Manometer
- Pressure Switch

Stator Security System
